

Primary PE and Sport Funding 2018-2019

Schools are allocated a sum of money, called the Primary PE and Sport Funding to support all children and improve the quantity, quality and breadth of PE and sport provision. The allocation is calculated according to the intake of the school, and the school must decide how best to use the money to improve the breadth and quality of PE and sport provision, including increased participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Our indicative Primary PE and Sport Funding for 2018-2019 is £19,450

At Mayfield Primary School we have decided to use this money to:

- Procure quality-assured professional training for staff to raise their confidence and competence in teaching PE and sport.
- Buy into the 'Wyre and Fylde School Sports Partnership'.
- Employ expert advice to evaluate the school's current strengths and development points in PE and sport, and implement plans for improvement through the use of consultancy advice.
- Forge links with PE teachers in local primary schools to help teachers to improve their PE and the sports provision in school, particularly in the development of the fundamental movement skills
- Provide 'top-up' swimming for pupils who did not meet the National Curriculum target of 25m in Year 5.
- Provide additional extra-curricular sport in partnership with AFC Fylde.
- Provide release time for teachers to engage in professional development.
- Provide transport to competitions to increase involvement for all groups of children.
- Participate in all competitions organised through the School Sports Partnership.
- Provide opportunities both in school and outside of school for all pupils to engage in sports.
- Purchase additional resources and equipment.

Targets for 2018-2019

- Increase the number of KS1 children participating in school sport.
- Create a tracking system that monitors the percentage of children who leave Key Stage 1 achieving the fundamental movement skills.
- Increase the number of disadvantaged children taking part in school sport.
- Secure PE teaching that is at least Good and has been observed by staff leading the Mayfield Sports Premium team.

Impact measures:

- an increase in the number of pupils taking part in after school sport
- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- development of a fully inclusive PE curriculum
- the improvement in partnership work on physical education with other schools and other local partners
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.
- quality of overall provision to improve so that all teaching in this area is at least 'Good' or better.

Impact noted July 2018 as a result of funding 2017-2018

- increase in the number of children participating in after school sports clubs
- increase in participation in competitive sporting activities
- increase in staff confidence to deliver aspects of PE

Additional information about specific groups of pupils, attendance at clubs and competitions can be found on our website. This overview provides a detailed breakdown of the impact the sports premium had last academic year.

Use of Sports Premium in 2017/2018

CPD	Tournaments	Clubs – extra to those offered by school staff
PE Conference – enabled subject leaders to formulate a vision for the future and network with sports partners	KS2 Speed Stacking	Football
