PARENT CELEBRATION EVENT

TUESDAY 13TH JULY—A CELEBRATION
OF GREAT STRUCTURES ACROSS THE
WORLD IN THE MAYFIELD ABC THEATRE.

AS MATHEMATICIANS WE ARE....

We are studying division, length, perimeter, the properties of shapes, mass and capacity this term.

AS READERS AND WRITERS....

Writing to entertain and inform this term. Through adventure stories, poetry and reports about our structures theme.

AS INVESTIGATORS WE ARE.....

SCIENCE: Discovering light and shadows and their impact upon structures. We will culminate in an amazing UV Spectacular Show in the theatre.

AS ENQUIRERS WE ARE.....

GEOGRAPHY: Learning about the local area making comparisons between our coast and inland areas in Britain. Locating these places on a map.

HISTORY: Learning how, and when, local structures were constructed, their role and their development over time.

RELIGIOUS EDUCATION: Studying the Hindu belief that there is one God with many different aspects.

AS COMMUNICATORS WE ARE.....

COMPUTING: Learning about branching databases and sorting group information. Making a fact file about the greatest structures.

FRENCH: Learning 'Je Peux—I can' using different verbs to convey everyday activities.

AS YOUNG PEOPLE WE ARE...

We will be considering how to keep healthy through what we eat and considering how this affects our physical and mental well-being.

THEME: SUPERB STRUCTURES

How and why were these amazing local landmarks created?
