'Valuing Every Achievement'

PARENT/TEACHER ZOOM CALLS

These conclude on **Wednesday 12th May from 3.30 - 4.30** and will follow the format used during the school closure Zoom parent/teacher catch-ups. We are conscious that as we cannot invite you in right now and cannot even be accessible in quite the same way as usual, so we want to create chances for you to ask about the social and academic aspect of life in class for your child as we return now from sustained closure.

As before, this is optional and if you are fine with things there is no obligation or problem if you do not feel the need to use this offer. It is simply there if you want it.

CONTACT THE SCHOOL OFFICE IF YOU WISH TO SIGN UP BUT HAVEN'T SO FAR.

MAYFIELD TOGETHER GROUP - 19TH MAY

After the huge Covid-19 disruption put a grinding halt to our refreshed Parent-Teacher 'Mayfield Together' group we are now in a position to recommence the work. Pending the further reduction of restrictions, we are intending to hold a meeting in the school on **Wednesday 19th May at 6.30pm** for anyone who would like to join our fund raising work. We are at the beginning of this so joining us now is an ideal time. Everyone is welcome. Come and be part of the fund raising and work alongside staff and school to continue our journey forward. It is a chance to meet in a less formal way than during the usual school day and is a good way to meet other like-minded people in our school community.

We have three simple aims:

- ⇒ **Raise funds for our school's project - that will benefit all;**
- ⇒ **Raise the positive profile of the school in the community;**
- ⇒ **Have a laugh and work together without hierarchy or judgement.**

PREFECT PUNCTUALITY TICKETS

The Year 6 Prefect Team are running our arrival hot spot tickets each day in the playground. In order for your child to be included in the draw each Friday then please ask them to collect their ticket and provide their name and year group to the Prefect leading the work that day. Watch out for the Prefect Team in their light blue hoodies each morning from 8.35—8.55. Next week we will share more about the prizes and how it works - but you have to be in it to win it! So be here by 8.55am and go in search of those prefects with tickets.

Dear Sir/Madam

SURFACE DRESSING PATCHING
Oxford Road, Gretdale Avenue and Dorset Road,
St Annes, Fylde

I write to inform you that surface dressing patching works are proposed for Oxford Road, Gretdale Avenue and Dorset Road from 10 to 12 May 2021. Notice boards placed along the route prior to the work commencing, will provide the latest information.

A temporary road closure will be in place on these roads for the duration of the carriageway works. The operating hours we have available will be from 09:00 to 15:00. The proposed works will contribute to returning the road to a suitable condition and will secure a safe and accessible route for residents and businesses.

We recognise the impact this work will have on normal traffic movements and will make provisions for access to properties affected by the closure. While access will be maintained whenever and wherever possible, it would be realistic to anticipate some delays and inconvenience.

Please ensure that the carriageway is clear of all parked vehicles during our working hours.

We would welcome your feedback following completion of the works; this feedback will enable us to ensure we are consistently delivering a high level of service and to help inform future improvements. If you can take a few minutes to complete a short online survey which is available at www.lancashire.gov.uk/roadsurvey it would be appreciated. If you don't have easy access to the internet local libraries provide computers for general use.

I apologise for any inconvenience these works may cause and appreciate your co-operation whilst the highway improvements are carried out.

Yours faithfully

Operations Engineer
Highways and Transport
