'Valuing Every Achievement'

MAYFIELD TOGETHER

We held our first get together on Wednesday evening. We were delighted to see many new faces and it is great to see the group growing from both families and staff perspective. Thank you to everyone who came along and to those who have sent messages of support and told us they want to be part of the fund raising work but couldn't make this first session.

Obviously nothing has really happened over the last year, since we first said hello last February, but we have a calendar of events for 2021 arranged now - which we hope we happen once restrictions end.

Next week, we are going to put together the first full newsletter outlining our intentions, fund raising work, our first project and the date of the next meeting.

Watch out for that being sent through.

In the meantime, have a think about joining the group. Everyone is welcome. It is a good chance to get together informally with staff and build the wider community journey we are aiming for. Take a look at our new logo opposite, you will see this on all work linked the group. We are back and here to stay and look forward to the events and activities in the years ahead.

SANDY THE BEAR HANDOUT & QUESTIONNAIRE

Please see the message below from our friends at the St Annes Enterprise Partnership.

'St Annes Enterprise Partnership is charged with supporting local business and improving footfall in St Annes and a key market for the town is families on holiday. The effects of Covid-19 have been heavily felt as life has ground to a halt for many. Unable to enjoy their time out visiting attractions and businesses in the area and equally those businesses finding it near impossible to survive. To that end we invite you to join us to create a new handout, which will act as a 'tour guide' for young children, as voted for by local, young children. We believe young people should have a say in where they like to play and eat - once we have the chance - and are therefore best placed to advise visiting children. **May we invite you to allow your children to join in this poll, anonymously, and return results to school for our compilation. School has attached the choice sheets to this newsletter. You simply need to choose three places from each list and return those choices to school using their App.**

Copies of the Sandy the Bear leaflet will be available, for free, from tourist information, hotels and other outlets in the town, as soon as compiled.'
