## FIT TO LEARN PLAYGROUND ZONE LUNCHTIMES ARE TO RETURN IN FULL.

### REFURBISHMENT UPGRADES FOR OUR OUTDOOR GROUNDS.

As we have undertaken indoors, we are now moving our attention to upgrades and refurbishments outdoors. We introduced a new, innovative playground zone plan in Spring Term 2020 prior to Covid-19 becoming the most used term in the land. Now, despite the constant barriers created by Covid-19 we are going to re-launch our zones as part of this upgrade and make our playground offer better than before and more innovative than anything seen anywhere. We have stressed our intention for our children to have positive, active lunchtimes, which prepare them for the learning to come, many times in the past and creating a unique playground offer alongside the wider sports developments to come is vital. It would also be fair to say that active, outdoor time with friends has been a major loss during lockdown and during bubble restrictions and this also acts as part of our social and emotional post lockdown 'recovery antidote' for our children.

Below is a plan of what is to come and work is already underway by preparing the spaces, placing the orders, creating the signage, ordering the resources and in due course training the leaders. This will be a gradual process that will see zones introduced as they are ready to do so.

It is important to note that as part of the plan, we asked for a review of the fixed climbing equipment on the grass areas. As a result, we are giving a refurbishment to the popular large Climbing Frame and the Adventure 'Trim Trail'. (These are popular with the children, easy to access and require minimum bespoke maintenance). However the other fixed items are being removed due to their condition, ease of finding replacement parts, their proximity to the playground, their general accessibility and lack of popularity. Instead we will be clearing this space to create the larger 'team sport arenas' we have outlined below which will offer greater daily impact and opportunity both within social and curriculum times. We will, in the coming weeks and months, have the best playground offer/choice anywhere and it is our children that will benefit. We will keep you updated via these newsletters and Mayfield TV Youtube films.
