

Mayfield Primary & Pre-School Partner News

TIGHTER LINKS AND TRANSITION PLANS CREATING A SMOOTH MAYFIELD FLOW INTO PRIMARY YEARS

This first news bulletin marks the strengthening of the work between Mayfield Pre-School and Mayfield Primary School, with the aim that every child that attends pre-school will have a smooth transition into Mayfield Primary and that becomes the route of choice for all families.

Both settings are the heart of our local community and our shared goal is to create a learning journey that runs smoothly from its earliest point all the way through to the end of primary school age at eleven years old.

'As we continue to develop, refresh and enhance our offer for Mayfield families, we are keen to enhance communication and activity links between our two sites. As a current outstanding Ofsted provider, Mayfield Primary School recognises the importance of our working relationship and is looking forward to watching this grow in the time ahead. We hope you will join and follow our communication platforms and events (shown below) to stay in touch with the life of our vibrant and growing school - that you will hopefully be joining in the months and years ahead. Both pre-school, and ourselves, serve our immediate locality and look forward to developing an enhanced and smooth pathway for the Mayfield community. Mr Denton (Mayfield Primary School - Headteacher)

'Mayfield Pre School is very excited to be enhancing our partnership with Mayfield Primary School. We strive to ensure solid links which can then lead to a smooth and informed transition between teaching staff as well as a happy and comfortable transition into 'big school' for our children.

We acknowledge the importance and are keen to provide an 'Outstanding' Pre School education for your little ones which can then be continued by an exciting and innovative primary school experience, knowing this combined learning and social interaction will ensure children benefit from an excellent level of academic achievement. Children can learn and grow together in a positive and supportive learning environment, with a shared responsibility and partnership from both settings, parents, children and the wider community.' Bonita Harding (Manager/Proprietor- Level 4)

We are welcoming visits to Mayfield Primary School for prospective new families and children for September 2024 reception starters. Please contact Mayfield Primary School via email (head@mayfield.lancs.sch.uk) or phone (01253 723465) to arrange your personalised tour with Mr Denton. Ask any questions you like, as you hopefully plan to join our journey in the months ahead.

COMMUNICATION LINKS - JOIN NOW! FIND LOTS MORE ABOUT THE LIFE OF MAYFIELD PRIMARY SCHOOL. WE WANT YOU TO KNOW ALL ABOUT THE VIBRANT AND INNOVATIVE LIFE AT OUR NEW LOOK SCHOOL THAT IS A BEACON OF MODERN LEARNING IN THE AREA.
