WELCOME BACK INTO THE BUILDING...AT LAST! MEET THE TEACHER - THIS THURSDAY 9TH SEPTEMBER

3.30pm - 6.00pm

Your first real chance for a long time to visit your child's classroom and take a walk around school. This is your chance to informally meet your child's new class teacher and take a look around the new classroom learning environments we have created. Despite our many films on Mayfield TV, there is nothing like being there. You can also have a wander through school to see the many new developments and ongoing projects. We have designed the event so that you can visit straight after school (with a short 15 minute window for key areas to be cleaned and cleared or you can return later when parents are home from work. We are open until 6.00pm. Entrance is via the playground gates or the main entrance. You can head straight to your child's classroom via their external cloakroom/classroom entrance doors. All we ask is that you wear a face mask/covering (unless exempt - staff may ask about this) and to adhere to our social distancing requests and help us by sensibly not overcrowding any spaces or rooms during your visit. Patience will be important in order to make this work. The obviously busy time will be 3.30pm so if anyone can avoid this and come along at a later time that would be greatly appreciated. Please note that you do not need to make an appointment for this, it is an informal event. Should you wish to speak with the class teacher or other member of staff then this is simply first-come-first-served and would ask for your patience and understanding.

PLAYGROUND WALL MESSAGE BOARDS

You will have seen our playground wall message boards upon your return in September. These have been designed to provide updates on events, key information, attendance, rewards, fund raising activities and lunchtime playground information. Over the next two weeks you will see these gradually being introduced. They are a further source of information as you walk in, through, and out of the playground. Take a look.
