MAYFIELD PRIMARY SCHOOL

ISSUE 1

FRIDAY 5TH SEPTEMBER 2025

We have created a shorter news headlines for 2025/2026. Meaning we can just give you the key messages quickly and all on one page.

Welcome back, we have lots of new reward systems for this year that are being unveiled at the moment. We also have some new subject projects for the children to undertake and we are looking forward to seeing how they go. We also have some new characters called the Flanimals and The Reading Gang to introduce you all to in the weeks and months ahead.

Thanks to everyone who has supported our change in water bottles. Much appreciated. It is a small difference but one that really helps us managing classroom space. I hope the uniform revisions are ok. Simplifying but still leaving an option of comfortable choice. I hope this has helped costs a little as well. This was part of the aim.

CALENDAR

The full calendar for the year is available. Term dates have been out for many months but all events for the year are listed now on our website page at: <https://www.mayfield12.lancsngfl.ac.uk/page/current-academic-year-sept-2025-july-2026/128534> and on the playground notice boards for Autumn Term and at the base of this newsletter for the half-term ahead.

CLUBS

Letters about the offer of after-school clubs for 2025/2026 has gone out today with a booking form to complete and return by Tuesday 9th September. Clubs start from Tuesday 16th September. This year, staff training has moved to Mondays rather than Wednesdays so we cannot offer staff run clubs on that day this year but can offer a full range on Wednesdays instead. Please only sign up your child if they want to be there, last year clubs were well beyond capacity in some cases and this included a number of children who didn't really want to be at the club. We have set a capacity number for each club this year and will use a blind draw to determine who takes part if one is over-subscribed. We will inform you about your child's final clubs by the end of next week.

KEYBOARDS & LAMDA

Keyboard lessons and LAMDA drama courses are available to all children. These clubs do have a cost for families for the weekly lessons. They are led by Paul Lee (keyboards) and Kylie Butler (LAMDA) both have worked with school extensively in recent years. Any children already taking part in these sessions will simply continue as before unless families state otherwise. If you wish to find out more about these offers then please tick the box on the clubs booking sheet.

Finally, if the children come home saying MC or 'Mayfield Citizens', this is one of our new reward systems and we have introduced it during assemblies this week.

Half-Term Diary

Mon 15th Sept: Meet The Teacher
Tues 16th Sept: Clubs Begin
